*Additional Cost to Sponsor

Availability of benefits may vary and is contingent on the resources available for each event/circumstance.

Throughout the year, our PTSA programming requires countless supplies, meals, equipment, etc. If your company or business would prefer to donate resources, as opposed to funds, we would gladly accept those generosity for all sponsorship levels. Donations will achieve the sponsorship benefits of the value of the donation. Unique sponsorship packages can also be tailored according to your business's objectives.
