

# 2022 Off the Canvas LIVE!

## Friday May 20th 5:30-8pm

### Lower School Artwork Exhibition

Off the Canvas Volunteers will set up/display your classes' artwork outside your classroom the week leading up to the event. Create small signs relating the projects to the artist or craft.

- Upstairs classrooms will be given a space to display their projects downstairs in the main hallway.
- PLEASE DO NOT use Duct Tape or anything that will damage the paint on the walls. Blue Painters tape works for most projects, and you can use paper clips to hang projects on strings from the ceiling.

### Performing Arts

“Suiting-up for the Future” is a curious Fashion Show of sustainable workwear and utilitarian accessories that act as “Wearable Tools for the 21st Century”. Artists, Kim Yantis and Lucinda Linderman, challenge the norms of traditional clothing.

**UPPER SCHOOL 6th-8th grade Volunteer Based Performances.** Ms. Murillo will assist recruiting kids.

Volunteers: 1. Sherri Wells 2. Christine Alexander

### Art to see @ OTC LIVE!

- Melting ice sculptures inspired by Scandinavian artist Olafur Eliasson. The ice melting is meant as a reminder that more Arctic ice is melting because of global warming, contributing to a rise in sea levels.
- Ms. Castillo's Bioluminescence Art Gallery will take place in the Art Room.
- Video Installation in hidden hallway at the front of the school.
- Artist Sidyk Gayoso and Biologist Sofia Gayoso (BMV parents) will paint a mural in the bus loop.

**Non-profits** - Oceana (Cat Uden) and Free our Seas and Beyond will be in attendance.

### Promotion Coordinator

We need to do morning announcements for event and typically do something every day to get the kids excited! Also need to post on social media daily. **VOLUNTEER:** 1. \_\_\_\_\_
